公司简介

Guangzhou Garbo International Trading Co., Ltd

Guangdong Garbo Industrial Co., Ltd, specializing in developing, designing, producing and marketing, is a large-scale enterprise which integrates industry and trade of household glassware. Founded in 1993, Garbo has years of advanced experience in marketing and quality controlling. It keeps real-time interactions with domestic glassware manufactures for a long time and becomes an ODM, OEM strategic partner of many top factories. It now has a strong and efficient system of supply and marketing and logistic storage.

Garbo, with more than 20 years' experience in glassware trade, insists on the core value of "Responsibility, Share, Inclusive, Sincerity, Innovation, Win-win situation" and the mission of "Better glassware, better life". It strives to provide more comprehensives and better goods and services for clients with quality improvement, product varieties enrichment and market segmentation.

Having a 15,000 square meters warehouse in Panyu, Guangzhou, which holds millions of available products, enables Garbo to meet the demand for all merchants. Meanwhile, it is also an agency for famous domestic brand such as Luminarc, Stone Island, etc.

In 2011, Garbo established an import & export department, Guangzhou Garbo International Trading Co., Ltd, which engaged in products development, sustainable innovation and coordination of importing and exporting issues. After years of reasonable growth, Garbo has been a legal entity which can operate all the export matters independently and effectively in the export line; and maintain a good cooperation with top brands from Europe and the United States for technological exchange and products development in the import line. It is also an agency and distributor for many high-classic glassware brands such as French ARC, USA LIBBEY, Thailand OCEAN, Japan SOGA, Czech Republic BOHEMIA, RONA, Italy RCR, DUENED, BORMIOLI, VIDIBI, Germany SPIEGELAU, WALTHER, SCHOTT, Austria RIEDEL, Turkey PASABAHCE, etc.

TEAWARE

Glass tea pot

- *Comfortable Grip*
Double-wall Insulation
Food-grade Materials
Durable
Simple Design.
- *It has high-heat-resistant capability and chemical stability, which make it not easy broken.*
Better glassware better life.

- 1) High borosilicate material, can bear water with $-20\sim 130^{\circ}\text{C}$ temperture.
- 2) They can be put on stove and Radiant-cooker directly.
- 3) Not suggest continuous boiling with more than 100°C and forbid fire use without water.
